MCT PRO TOOLS - PO 2021-0950 issued; vendor stated delivery would occur 9/2/20 but upon requesting an update on 8/31/20, we were advised that there was a delay which placed estimated lead time beyond 9/11/20; PO was cancelled due to the vendor's failure to deliver on a timely basis.

CONVERGE IOT - PO 2021-1164 issued; vendor was issued PO due to BOE having evaluated their product previously and time constraint's created by the previous vendor's failure not allowing for physical evaluation of other solutions; the vendor received the PO and subsequently requested 50% payment despite having been advised of our NET 30 terms; PO was cancelled due to the vendor's reluctance to accept NET 30 terms.
