**RE:** Request for Emergency Declaration  
Cross Hill Academy (CHA) Sidewalk Wash Out

**Dr. Edwin M. Quezada**  
Superintendent of Schools

**John P. Carr**  
Executive Director  
School Facilities Management

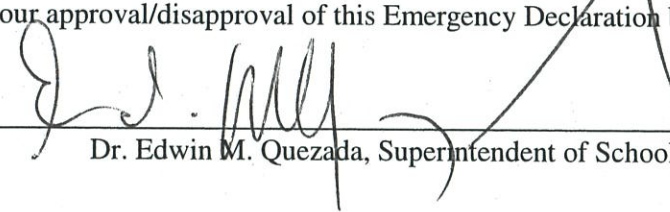

The rain from tropical storm Ida over-topped the Odell Avenue driveway and washed out roughly 30 feet of sidewalk and embankment creating a hazardous situation with drop-offs and destabilizing the driveway.

Landi Construction was engaged to restore the slope to safe and usable conditions. The cost of this work is expected to be roughly \$40,000.00 and will be completed for school opening. We intend to use capital funds but this work is not aid able.

Due to the time constraints, the as yet fully determined scope of work and the length of time typically involved in the procurement of construction under GML 103 it is required that an Emergency Declaration be issued to expedite this work.
