Hi Elan,

Liminex, Inc. d/b/a GoGuardian has proposed substantial edits to the proposed agreement with the School District. Several of these will require the School District’s business decision to move forward while several of their requested changes cannot be agreed to by law unless the vendor agrees to withdraw some of these edits. Let’s discuss when you have a moment.

Additionally, upon review:

1. The BOE resolution will need to be amended to reflect the correct name of the company- Liminex, Inc., d/b/a GoGuardian
2. I have no legal objections to their proposed data sharing agreement and 2-d rider or their edits to Schedule A, but please review their changes to YPS' performance based contract guidelines;

Thanks,
Brad

Hi Brad and Nicole,

Thank you again for sending over Yonkers' agreement in Word. My legal team has diligently reviewed the agreement and all schedules and have made edits to align with our contracting policies and procedures as well as applicable law. You will note comments regarding the same in the attached.

Please review the attached. I am happy to help coordinate a call between our legal teams to review the attached.

We look forward to continuing to work with Yonkers -- now and through the next school year.

Sincerely,
Frank
