**Re: Proposal for Architectural / Engineering Design Services
Yonkers Middle / High School CIP#109
Fuel Tank Replacement and other Improvements
RFP No. 420-21-22**

Dear Mr. Carr:

H2M architects + engineers (H2M) is pleased to provide our proposals as a qualified vendor to be considered as a consultant to provide “Architectural/ Engineering Design Services” for the School Facilities Management Department (SFMD) of Yonkers Public Schools. We will provide all necessary staff required to successfully complete this assignment in accordance with our On-Call Agreement and RFP requirements on time and on budget. As you are aware H2M is a multi-disciplined architecture and engineering firm that has been servicing schools and municipalities for over 88 years, and are fully capable of accomplishing the goals of this project.

H2M understands the importance of mobilizing for assignments quickly and having the resources available to execute projects on schedule and within budget. I will supervise our expert team and will make sure all Yonkers Public School needs are being fulfilled in a timely, cost-efficient, and high-quality manner.

As requested, please find the following RFP documents:

- 1) Original RFP document including Table 3.01 (Fee Schedule)

Feel free to contact me at (631) 756-8000 ext.1359, should you have any questions regarding our submission or require any additional information. Thank you for your consideration.

Very truly yours,
H2M architects + engineers
