Rationale: This is to authorize the Superintendent of Schools to enter into a Lease Agreement with Hampshire Management Company, as landlord for 22,638 square feet of warehouse space at 60 Fullerton Avenue, Yonkers NY for use by the School Facilities and Food Services Departments. This space is contiguous with 25,000 square feet already being rented by the City of Yonkers for its record retention center and print shop.

The targeted move in date is January 1, 2023.

The existing warehouse arrangement is unsatisfactory in a number of areas including but not limited to; lighting, HVAC, security, vermin, space on two floors connected by an unreliable (and possibly costly) elevator and the increasing likelihood of failing food service walk-in refrigeration units. At this time roughly \$10,000 in repairs are being made to one unit. The advantage of the existing arrangement is the lower cost.

The initial contract term of the Hampshire Management lease will be 10 years plus two optional 5-year renewals. Rent will start at \$24,993.99 per month or \$299,927.88 per annum increasing annually at 3%.

Additionally, the cost of the Landlord fit-out of the site which will include 4 new walk-in refrigeration units for food services, is expected to be roughly \$400,000 amortized over 5 years and paid as "additional rent". This will add about \$6,700.00 per month to the overall cost for the first 60 months. These fit out cost are estimates pending completion of the design and negotiations with the Hampshire Management.

The total cost of carrying both leases during the transition phase is roughly \$55,000 per month for 4 months or \$220,000.00.
