Dear John,

One bid was received for Contract #2 - HVAC on February 7th, 2025 for the above project.

The lowest bidder was Clean Air Quality Service, Inc. with a bid amount of \$109,500.00.

YPS, Savin Engineers and Fuller & D'Angelo conducted a virtual pre-award meeting with Russel Secor of Clean Air Quality Service, Inc. on February 13th, 2025. The project scope and bid response were reviewed. It was evident Clean Air Quality Service, Inc. had a clear understanding of the project scope and scheduling requirements. Fuller and D'Angelo has completed many projects with Clean Air Quality Service, Inc. in recent years.

Based on this meeting, and our experience with Clean Air Quality Service, Inc., we have no objections with YPS awarding this contract to Clean Air Quality Service, Inc., in the amount of \$109,500.00.

If you should require any additional information, please do not hesitate to call.

Sincerely,
