Scope of Services

Service Agreement Repair Plan Description

This proposal is to provide professional services for:

1. Routine servicing and maintenance (labor and parts) of the District's existing Integrated Security System which consist of the hard items & software and in the buildings as listed elsewhere. See "Device Count" and "Sites".
2. Software Licenses for the cameras and the NVRs. "See Device Count"

The total cost proposed for this agreement is \$195,528.20

The contract term is 365 calendar days, renewable by mutual agreement for up to 4 four additional years. Inflation for wages and MSRP price increases to be added.

Coverage under this Service Agreement includes labor and parts for listed system devices in "Device Count"

Coverage under this Service Agreement includes manufacture software SSA licenses for cameras and NVRs. Note that in addition to the mandatory camera licenses, this proposal also include the licenses for the various NVR recorders. YPS utilizes Dell PowerEdge R740 in conjunction with Victor unified platform. Both Dell servers and AC/SWH Victor unified require ongoing maintenance, patches, version upgrades and others, all of which are covered under this annual support agreement.

The following are included:

- Priority sequencing within the ITG Larson, Inc. dispatch call queue.
- Same day business responses
- 30 Minute support desk responses
- Service will be scheduled Monday through Friday between the hours of 8:30AM and 5:00PM.
- Enterprise trained and factory certified technicians are provided.
- Unlimited remote system diagnosis support is included.
- Unlimited technical telephone support is included

Licensed By the N.Y.S. Department of State # 12000316923

- Loaner equipment (based upon availability) at no additional charge, until covered equipment is repaired or replaced.
- Site visits for the removal and re-installation of the loaner equipment are included.
- If needed, emergency services outside of business hours are billed at published OGS rates.
- Firmware updates on IP cameras as provided by the manufacture
- Security audit of IP cameras
- Weekly checks of hard drives and RAID status
- Weekly checks on all cameras for live video and recording status
- Manufacture Software Support Agreement Licenses
- Network Video Recorders Software updates
- Custom reports upon request
- Maintenance of BOE Ccure Partition
- Maintenance of HR Automated personnel import
- Weekly checks on all iDRAC units
- CAT5 cable repairs and replacements from device back to headed
- Maintenance and modification of MAPS
- Maintenance of clearances and personnel
- Updates for clearances as needed
- Event modifications for email alerts, audible sounds
- Maintenance of police views and MDT views
- Permission auditing in Victor Unified Client
- Permission audition in Ccure System
- Modification and updates on personnel views
- System health status
- Network switches health status and firmware updates
- Design of new badge layouts and modifications as needed to existing badge layouts
- Provide training for operators
- Create and modify video layouts

Placing a Service Call

Licensed By the N.Y.S. Department of State # 12000316923

Service requests can be made at any time. Service will be scheduled and performed during ITG Larson, Inc. Normal business hours are Monday through Friday between 8:30 AM and 5:00PM EST, excluding Federal and company holidays. Service requests can be placed via

- 1. E-mail:** email the request to support@itglarson.com. When requesting service: include a specific and detailed description of the problem, the location of the issue and your contact information including: First and Last Name, Customer Name, Direct phone number, Cell phone number and email.
- 2. Call:** (914) 719-7272 to speak with an ITG Larson, Inc. service representative. If you leave a voicemail message, include, the time of your call, your first and last name, Customer Name, your direct phone number and email address so that an ITG service representative can contact you for further details prior to scheduling service.

EMERGENCY SERVICE:

Emergency service requests can be made using options 1 or 2 above and specifically indicating in the email subject and body or voice mail that the request is for Emergency Service. Emergency Service is strictly for major system failures, affecting substantial portions of the serviced system only. For any service requests performed outside of the scope of services described herein or, deemed by ITG Larson, Inc., not to be an emergency, such services will be charged at the hourly rates.

Clarifications and Exception

- 1.AC Power failure: 120V AC power is excluded.
- 2.All work will be performed during ITG Larson, Inc. normal business hours except in the case of a emergency failures.
- 3.All work being performed is low voltage service type work.
- 4.Service and support required due to anything except normal equipment wear and tear is excluded and will be charged at ITG Larson, Inc. OGS hourly rates.
- 5.Any work required due to: customer direct or indirect errors, tampering, omissions, third parties, affiliates, other systems, hardware, software, network, network failures/outages, electrical, power outages, surges, or other acts, such as and not limited to: damage due to acts of God and vandalism are excluded and billable.
- 6.Any work related to customer provided network, communications, electrical or other building and technical systems is by customer.
- 7.Any wiring, wire-ways, conduits, etc. and related infrastructure is excluded.
- 8.All painting, patching, fire wall penetration, fire stopping, roof, wall, surface and membrane

Licensed By the N.Y.S. Department of State # 12000316923

penetrations, coring, repair or sealing, construction equipment, etc. is excluded.

9.Asbestos Condition: ITG Larson, Inc. assumes the areas we will work in are free from asbestos and safe to work in. If asbestos is discovered in any project work area, all work will cease and the customer will assume responsibility to completely clear the contaminated area and provide a safe work environment prior to resumption of work.

10.This Agreement does not include upgrades to computer hardware, networks, infrastructure, operating systems, software, etc. that may be required to support enhancements to the proprietary system.

11.If needed, lifts to be provided by customer
