RE: LETTER OF RECOMMENDATION – **PB CONTRACTING**
YONKERS PUBLIC SCHOOLS
WINDOW & CEILING REPLACEMENT AND GENERATOR – PHASE 3 OF 3 AT SCHOOL 29
IFB-7043/YPS #: 10878 / SED #: 66-23-00-01-0-029-012
FULLER & D'ANGELO, P.C. PROJECT #: 19359.03

Dear Lee,

Eight bids for the Window & Ceiling Replacement and Generator project at PS 29, IFB-7043, were received for the above project on November 14th, 2023. The lowest apparent bidder was PB Contracting Corp., with a low bid of \$1,900,500.00.

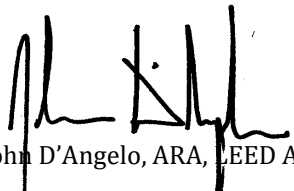

YPS -SFMD, Fuller & D'Angelo and Triton Construction conducted a virtual pre-award meeting with PB Contracting on November 29th, 2023. The project scope and bid response were reviewed. PB Contracting had a clear understanding of the project scope and scheduling requirements.

Fuller & D'Angelo has completed projects for the Yonkers Public Schools with PB Contracting Corp. in recent years, including the window replacements of PS 17.

Based on this meeting, and previous work with PB Contracting Corp., we have no objections with YPS awarding this contract to PB Contracting in the amount of One Million, Nine Hundred Thousand, Five Hundred and 00/100 (\$1,900,500.00.)

If you should require any additional information, please do not hesitate to call.

Sincerely,

John D'Angelo, ARA, LEED AP

JD'A/vc
