Yonkers Public Schools
One Larkin Center
Yonkers, NY 10701

Subject: Roosevelt Fuel Tank Project Management CIP # 10883

Minaz;

Eisenbach & Ruhnke will provide the on-site fulltime project management for the project for a cost of \$30,000 with the time billed at the rates in our contract. The increase in cost is a result of the project taking about 2 ½ weeks longer than originally anticipated. If you have any questions, let me know.

A handwritten signature in black ink, appearing to read 'Jack Eisenbach'.
