Description	Qty	Rate	Total	Approved
Furnish & install new fire suppression system cylinders to replace the cylinders that have exceeded the manufacturer date of 12 years which requires the cylinders to be tested or replaced. Below are the schools that were found during the February 2021 inspections that have exceeded the 12 year requirement and need to be tested or replaced. The cost for testing is equal to or greater than the replacement cylinders, and is recommended the cylinders be replaced.				
Cross Hill Academy: New Pyro-chem 6.0 Gallon fire suppression cylinder complete with fire extinguishing chemical agent.	1	1,118.15	1,118.15T	
Dodson School: New Pyro-chem 3.0 Gallon fire suppression cylinder complete with fire extinguishing chemical agent.	2	616.34	1,232.68T
