Re: **RFB-6584 INTEGRATED PEST MANAGEMENT**

Dear Mr. Vasi,

Your firm was the apparent low bidder on the bid for the Integrated Pest Management; however, your bid will not be approved. The deciding factor was:

- **Non-responsive – Line item 1.2 vendor did not extend pricing correctly.**

Accordingly, we will be recommending to the City's Board of Contract and Supply that your bid be rejected.

It is unfortunate that your attempt to do business with the City was unsuccessful however, in fairness to the other bidders, we have no choice but to deem your bid non responsive.

Thank you for participating in this solicitation and should you have any question, please do not hesitate to call.

Sincerely,

A handwritten signature in blue ink, appearing to read "SR" or similar initials.
