

THE PARTNERSHIP TO END ADDICTION
PERFORMANCE BASED CONTRACT GUIDELINES

1. WHAT IS THE PURPOSE AND SCOPE OF THE SERVICE? (Describe in detail any services to be provided or materials to be purchased)

The purpose of this amendment is to extended the terms:
December 1, 2023 – June 30, 2025

To provide awareness and direct curriculum supports to Yonkers Public Schools, Middle and High School students to address preventative measures to opioid abuse, access to social support systems and positive messaging to the Yonkers Public Schools community. Below are the Objectives of this service focused on District-wide efforts:

Objective 1.

To provide information, education, and skill building to Yonkers middle school and high school students using age-appropriate in-person interactive classroom activities, and small group presentations from adult professionals, with corresponding printed and video materials, this includes co-existing disorder messaging, social-emotional learning tools, and activities.

Objective 2.

To use high school students as role models, to teach and practice refusal skills that reinforce messages to middle school and high school students, through classroom role plays, presentations, and after-school programming, while ensuring that messaging reflects pathways to substance misuse/addiction, including mental health challenges and trauma.

Objective 3.

To thereby identify middle school and high school students, particularly young men of color who demonstrate potential to be future educators, and refer them to other sources of District support, in furtherance of additional training/counseling in the field of education, they will also have specific presentations on the value and import of innovations in the field of mental health.

Objective 4.

To provide relevant and interventional information to Yonkers parents of middle and high school students through in-person interactive presentations and demonstrations, with corresponding bilingual printed and video materials. This will result in community and/or school-based prevention education presentations for families, community members, school administrators and staff, to increase engagement in mental health, trauma-informed, co-occurring capable services, including messaging on all substance misuse/addictions (vaping, marijuana, alcohol, mushrooms, cocaine, prescription medication, heroin and adulterants to the supply.

2. AMOUNT OF SERVICE?

(Set forth the monetary value of the proposed agreement and quantities and/or amounts of time required to be devoted to the contract and describe where services are to be provided as specified in Schedule "B")

Contract Amount Not to Exceed: \$115,000.00

3. WHO IN THE SCHOOL DISTRICT IS SERVED?

(Describe whether services are to be provided directly to students, to staff, etc.)

Students in YPS District Schools and their parents will be served through different modalities; and staff will receive skills development workshops, as appropriate.

4. WHO WILL PROVIDE SERVICES?

(If individual providers are contemplated, set forth the names and qualifications of the service providers)

Services will be primarily provided by The Partnership to End Addiction.
