

Overview:

This resolution is to assign the kick-off, schematic design, design development and permitting phases to SEI Design Group, along with estimated reimbursables for the amount of \$25,160.00. The bidding and construction documents phase will be assigned via amendment to SEI, subject to the issuance of a permit from SED and proceeds of future bond sale.

RFP 420-24-12 was issued to nine architectural engineering firms who have an "On-Call" requirements contract with the District. Four of nine firms responded and after completing interviews, SEI Design Group was deemed most qualified to perform this task for a total fee of \$113,160.00, see attached Summary of Responses.
