Good morning Nikki and Rachel,

My name is Erika Watson and I am the state director for our NY programs. You are correct about Mike Woods departing from the organization earlier this year. Questar is now operating as NWEA. Thank you for reaching out and continuing to do business with us.

I will be assisting the NWEA procurement team with the execution of the contract. Helene Gniadek will be retiring from NWEA in December. Stephanie Pfahlert is our Senior Program Manager on the NY PM team and she will be responsible for the actual implementation of the work when the time comes.

While I understand the scope of the work, I do not have access to Mike's records, so I may be returning with questions on the contract itself. Is Nikki the person I would direct questions to, either from myself or someone in our legal department? NWEA operates a little differently than Questar did when it comes to contracts, so please bear with me as we navigate thru this process.

Regards,
Erika
