RE: LETTER OF RECOMMENDATION - **FRAN CORP. D/B/A - ALL BRIGHT ELECTRIC**
YONKERS PUBLIC SCHOOLS
HI-TECH SECURITY UPGRADES AT LINCOLN HIGH SCHOOL
YPS #: 10950
FULLER & D'ANGELO, P.C. PROJECT #: 19361.06

Dear Lee,

On April 10th, 2014, three (3) bids for the Hi-Tech Security Upgrades at Lincoln High School were received. The lowest bidder was Naber Electric. We understand that Naber Electric's bid did not include sub-contract work and therefore, was deemed non-responsive.

The second lowest bid was submitted by Frank Corp. (D/B/A) All Bright Electric with a bid amount of \$874,000.00.

YPS SFMD, Fuller & D'Angelo and Triton Construction conducted a virtual pre-award meeting with Dave Stack and Taylor Clayton of All Bright Electric on April 16, 2024. The project scope and bid response were reviewed. All Bright indicated they had no reservations in their bid submitted. It was evident they had a clear understanding of the project scope and scheduling requirements.

Fuller and D'Angelo has completed many projects with All Bright Electric in recent years, including the High Tech Security Upgrades at several YPS facilities. All completed successfully and within the project schedule.

Based on this meeting, and our experience with All Bright Electric, we have no objections with YPS awarding this project to All Bright Electric, in the amount of \$874,000.00.

If you should require any additional information, please do not hesitate to call.

Sincerely,

John D'Angelo, ARA, LEED AP
