FULLER & D'ANGELO, P.C. PROJECT #: 19354.00

Dear John,

Nine (9) GC bids were received for the above project on April 23, 2021. We have been advised that the apparent low bidder, A1 Construction Services, Inc. has been determined to not meet the qualification requirements of the bid. The 2nd low bidder was Milcon Construction Corp., with a bid of \$2,155,000.

The project scope and bid response was reviewed with Milcon Construction. They had a clear understanding of the project scope and scheduling requirements. F&D has completed numerous projects with Milcon in the past. Milcon has also completed recent roof replacement projects (School 15 and Yonkers MS/HS) for the Yonkers Public Schools.

Based on this we have no objections with YPS awarding Milcon Construction the contract for the Envelope Restorations at Palisade Prep and Gorton HS in the amount of \$2,155,000.

If you should require any additional information, please do not hesitate to call.

Sincerely,

John D'Angelo, ARA, LEED AP
