FULLER & D'ANGELO, P.C. PROJECT #: 19361.00

Dear Minaz,

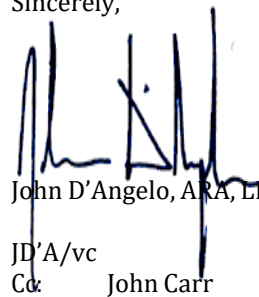

Bids for the High-Tech Security Upgrades at Roosevelt High School were received. The lowest apparent bidder is All Bright Electric.

Fuller and D'Angelo has completed many projects over the years with All Bright Electric. Many of these have been for YPS. All have been completed successfully. All Bright Electric has recently completed the security system upgrade at Saunders High School.

Based on our experience with All Bright Electric, we have no objections with YPS High Tech Security Upgrades project to All Bright Electric, in the amount of 945,000.00.

If you should require any additional information, please do not hesitate to call.

Sincerely,

John D'Angelo, ARA, LEED AP
