Dear Tracey,

On October 14, 2021, the Yonkers School District received a donation of 6,047 books from United Way of Westchester and Putnam. This donation was made possible through our Education United Program, which supports schoolchildren by providing school supplies, books, PPE, technology, and meals. We could not do this important work without partners like yourself.

We estimate the value of books at \$5 each, totaling \$30,235 for this donation. Please let us know if you have any questions about this.

Sincerely yours,
