Dear Lee,

Bids for Contract #2 GC Work at Pearls/Hawthorne School were received for the above project on April 1, 2022. The lowest apparent bidder is APS Contracting.

Yonkers and Fuller & D'Angelo conducted a virtual pre-award meeting with APS Contracting on April 8, 2022. The project scope and bid response were reviewed. It was evident APS Contracting had a clear understanding of the project scope and scheduling requirements. Fuller and D'Angelo and YPS has completed many projects with APS Contracting in recent years. APS along with their sub-contractor, MX Roofing, completed the roof replacement at PS 25.

Based on this meeting, and our experience with APS Contracting, we have no objections with YPS awarding Contract #2 -GC to APS Contracting, in the amount of \$2,435,000.00.

If you should require any additional information, please do not hesitate to call.

Sincerely,

John D'Angelo, ARA, LEED AP
