Dear Superintendent Soler,

On behalf of the Yonkers Public Schools Foundation for Education (YPSFE), it is with great pride and enthusiasm that we present Yonkers Public Schools with a donation of \$100,000 in restricted funding to support the Robert Halmi Sr. Academy of Film and Television.

This grant reflects our foundation's ongoing commitment to enhancing educational opportunities in the arts. The funds are to be used exclusively for educational activities and arts and enrichment programs at the academy. Please note that these funds are not to be applied toward staffing or other operational expenses typically funded by New York State or the City of Yonkers.

We are excited to see how this investment will help cultivate creativity, talent, and innovation among the students of the Robert Halmi Sr. Academy. We kindly request a report by the end of the school year on how these funds were utilized to further the academy's mission.

Should you have any questions or need further clarification, please do not hesitate to reach out. We look forward to the positive impact this grant will have on the education and enrichment of your students.

With best regards,
