Re: **RFB-6584 INTEGRATED PEST MANAGEMENT**

Dear Mr. Maxwell,

In response to Bid dated February 25, 2021, it will be recommended to the next meeting of the Yonkers Board of Contract & Supply, that your Bid be rejected as being non-responsive. The deciding factor being:

- **Your firm has no prior experience working in schools.**

It is unfortunate that your attempt to do business with the City was unsuccessful however, in fairness to the other bidders, we have no choice but to deem your bid non responsive.

Thank you for participating in this solicitation and should you have any question, please do not hesitate to call.

Sincerely,

**Stephen Radziminsky**
