For

The Charles E. Gorton High School

Academy of Medical Professions

Smart Scholars Early College High School Program

PERFORMANCE BASED CONTRACT GUIDELINES

1. WHAT IS THE PURPOSE AND SCOPE OF THE SERVICE? (Describe in detail any services to be provided or materials to be purchased)

This initiative will provide Gorton High School students in the Academy of Medical Professions (AMP) Smart Scholars Early College High School (Gorton), the opportunity to earn college credits by taking concurrent enrollment credit college level credit courses at Gorton. Farmingdale State College (FSC) will offer seven 3-credit courses to the students selected by Gorton to be given during the 2023-2024 academic year, plus an additional summer course TBD.

The services will include the following FSC courses:

HIS 117 World Civilization I – A survey of major non-Western civilizations and their interaction with one another, as well as with the European West from antiquity through the Early Modern Period. The course will explore ancient polytheistic traditions, the foundations of major world religions (Hinduism, Buddhism, Islam), and the rise of Christianity as a global faith. It will also address non-Western social, political, and economic systems in East Asia, South Asia, the Muslim World, Sub-Saharan Africa, and pre-Columbian America.

HIS 118 World Civilization II – A survey of the developing world and its interaction with the West since 1700, the course will explore the chaotic effects of the non-Western world's interaction with European imperial powers, the United States, and Soviet Union, focusing on social, economic, cultural, and political change in East Asia, South Asia, the Middle East, Sub-Saharan Africa, and Latin America. The major themes of the course will center on imperialism, nationalism, modernization, the World Wars, and the Cold War.

HIS 121 U.S. History to Reconstruction – A discussion of the development of the United States from its English origins through Reconstruction, this course shows how a new civilization arose out of revolution, independence, new governmental institutions, and equalitarianism, and illustrating the results of the westward movement, and the causes and consequences of the Civil War.

HIS 122 U.S. History since Reconstruction – A historical evaluation of American society, assessing Reconstruction, immigration, the nature of imperialism, progressivism, World War I and II, the Cold War, and contemporary American life.

MTH 110 Statistics – Basic concepts of probability and statistical inference. Included are the binominal, normal, and chi-square distributions. Practical applications are examined. Computer assignments using Minitab form an integral part of the course.

HPW 101 – Perspectives on Health and Wellness – This course examines major contemporary public/individual health issues as an applied social science. It incorporates theoretical as well as practical applications in the health/wellness field. Emphasis is placed on social/behavioral development enhancement strategies at various life stages. HPW 101 compares the public health status of groups by variables such as socioeconomic position, environment, lifestyle behaviors, and genetics. Various health behaviors are analyzed, evaluated, and compared to standards. Preventive nutrition behaviors are addressed to aid in controlling chronic social problems such as obesity and malnutrition. Additionally, this course discusses past/current government policy and politics in structuring the public health of the United States.

VIS 260 – Graphic Design for Non-Majors - Graphic Design for Non-Majors introduces the principles and processes of graphic design. Emphasis will be on conceptual development, organization of information and effective communication with the formal integration of type and imagery. Students will learn to think critically, make aesthetic judgments, and become familiar with a variety of tools and techniques used to produce work in the fields of design.

Summer College Course to be determined.

2. **AMOUNT OF SERVICE?**

(Set forth the monetary value of the proposed agreement and quantities and/or amounts of time required to be devoted to the contract and describe where services are to be provided as specified in Schedule “B”)

Farmingdale State College will offer seven concurrent enrollment courses (3 semester hour credits) at Charles E. Gorton High School to be given during the 2023-2024 academic year, plus an additional summer course TBD. The cost breakdown is outlined in Schedule B. A link to the registration website will be made available to the high school administration to share with students and parents. All student requests to register are collected through this site. The program fee for students who qualify for the Federal Reduced Lunch Program will be \$75/per 3 credits or \$150/per 3 credits otherwise.

3. **WHO IN THE SCHOOL DISTRICT IS SERVED?**

(Describe whether services are to be provided directly to students, to staff, etc.)

The course will be offered to the students enrolled at GHS-ECSSP in the concurrent enrollment credit courses offered on their full-time high school schedule. Students who will be enrolled in the courses will be selected by the high school designated representative.

4. WHO WILL PROVIDE SERVICES?

(If individual providers are contemplated, set forth the names and qualifications of the service providers)

Farmingdale State College has an assessment process that evaluates effectiveness of course content, teaching methodologies, and student learning. These efforts are overseen by the Vice President of Academic Affairs. Like many institutions, the college also collects student feedback through the course evaluation process. In addition to this student satisfaction data, site visits of individual faculty members are conducted by the Campus designee.

4a. WILL THE CONTRACTOR BE UTILIZING ANY SUBCONTRACTORS OR VOLUNTEERS IN FURTHERANCE OF THIS AGREEMENT? IF YES, PLEASE LIST ALL OF THEIR NAMES AND CONTACT INFORMATION.

N/A

5. WHAT WILL BE COMMUNICATED TO DISTRICT PERSONNEL, PARENTS, OTHERS ABOUT PROGRESS AND RESULTS OF THE SERVICES?

(How specifically will the contractor report to the School District (or parents, if applicable) about their progress towards achieving the goals of the contract?)

Yonkers Public School (YPS) and FSC have already had experience with this type of collaboration in previous years. A roster of the students' names, courses, and final grades will be provided to the designated representative for Gorton as well as any additional interim or final progress reporting requirements. At the conclusion of the program, Farmingdale State College will have available an official college transcript, that may be requested by the student to be mailed to the student's home. In addition, FSC recognizes the need to adhere to the Family Educational Rights and Privacy Act (FERPA). In recognition of the federal regulations governing protection of student information, all communication (whether verbal or written) will be between the FSC designated representative and the designated representative for Gorton.

6. HOW WILL THE SCHOOL DISTRICT JUDGE THE QUALITY OF SERVICES? (Set forth the method which will be used to evaluate contractor's performance)

PERFORMANCE BASED CONTRACT GUIDELINES

1. **WHAT IS THE PURPOSE AND SCOPE OF THE SERVICE?** (Describe in detail any services to be provided or materials to be purchased)

This initiative will provide Roosevelt High School, Early College Studies (RHS-ECS) students the opportunity to earn college credits by taking dual credit college level equivalent ten semester hour credit courses at RHS-ECS. Farmingdale State College (FSC) will offer nine 3-credit courses to the students selected by RHS-ECS to be given during the 2023-2024 academic year.

The services will include the following FSC courses:

ANT 100 Introduction to Anthropology

Anthropology is the scientific study of human-kind. This course offers an introduction to its four major sub-fields, namely; Physical or Biological anthropology (human evolution, the fossil record, ethnology); Archaeology (extinct cultures, classical civilizations, prehistory); Linguistics (language origins, development, diffusion, structure, and change); Sociocultural Anthropology (pioneers in the field, cross-cultural research, case studies, and the future). By focusing on the broad cultural implications and complexities of social communication and interaction, anthropology seeks to understand the whole human experience.

BUS 111 Introduction to Business

This course introduces the student to the fundamentals of American Business and its contemporary environment. It provides an overview of organizational, national, and international trends and their impact on enterprises both large and small. The course develops an understanding of important business concepts, principles, and practices that explain how businesses are formed, how they operate to accomplish their goals, and why/how their success depends on effective management, production, marketing and finance/accounting.

BUS 141 Contemporary Business Communications

An introduction to the role and importance of effective communications in business. Key topics include the familiarization and practice in preparing common types of internal and external business communications; contemporary issues in business communication

relating to technology, ethics, and nondiscriminatory language; memo and report writing with proper mechanics, style, and appropriate tone/attitude; and business presentations.

ECO 156 Principles of Economics (Macroeconomics) - This course is designed to introduce classic macroeconomic issues such as unemployment, inflation, national income and economic growth. The course will provide a unified framework to address these issues and to study the impact of different policies, such as monetary and fiscal policies, on the aggregate behavior of the economy. Analytical tools will be used to understand the experiences of the United States and other countries, and to address how current policy initiatives affect their macroeconomic performance.

HIS 121 History to Reconstruction

A discussion of the development of the United States from its English origins through Reconstruction, this course shows how a new civilization arose out of revolution, independence, new governmental institutions, and equalitarianism, and illustrating the results of the westward movement, and the causes and consequences of the Civil War.

HIS 122 History Since Reconstruction

A historical evaluation of American society, assessing Reconstruction, immigration, the nature of imperialism, progressivism, World War I and II, the Cold War, and contemporary American life.

HIS 233 Comparative Religions and Cultures A survey of religions of the East and the region of the Mediterranean, with discussion of their impact on the lives of individuals, and on cultures and other societies through the interrelationship of value systems.

POL 250 American Politics

This course introduces students to American Politics by focusing on national politics. In addition to examining the structure of U.S. government at the federal level, this course will also investigate American political behavior (especially political parties, elections, voting) and selected policy debates the animate contemporary political discussion.

VIS 101 Introduction to Drawing

Students will be introduced to basic observational freehand drawing techniques, including line, form, light and shade and composition. Students will study examples of work from various artists and have an opportunity to apply this knowledge in the studio and in outdoor settings.

2. AMOUNT OF SERVICE?

(Set forth the monetary value of the proposed agreement and quantities and/or amounts of time required to be devoted to the contract and describe where services are to be provided as specified in Schedule "B")

Farmingdale State College will offer ten dual enrollment courses (3 semester hour credits) at Roosevelt High School. The cost breakdown is outlined in Schedule B. A link to the registration website will be made available to the high school administration to share with students and parents. All student requests to register are collected through this site. The program fee for students who qualify for the Federal Reduced Lunch Program will be \$75/per 3 credits.

3. WHO IN THE SCHOOL DISTRICT IS SERVED?
