ABOUT DISCOVERY EDUCATION

Discovery Education is the global leader in standards-based digital curriculum resources for K–12 classrooms worldwide. We are the home to award-winning digital textbooks, multimedia content, and the largest professional development community of its kind.

DIGITAL SOLUTIONS

The Discovery Education Experience combines dynamic curated curriculum resources with grab-and-go instructional strategies, personalized for your needs as an educator. This ever-growing collection of real-world content brings excitement and relevancy to the topics you teach, so all students have opportunities to unlock their true potential.

Discovery Education offers research-based, results-driven professional learning. Our innovative approach systematically impacts multiple layers of the school system and provides educators with immersive experiences to bridge theory to practice. Because our approach is teacher-centered, we offer face-to-face professional learning, online support, classroom application and job-embedded coaching.

Discovery Education's Partner Success Team supports the successful launch, adoption, and implementation of the award-winning digital curriculum resources and professional learning services offered in partnership with Discovery Education. From technical integrations and set-up support to toolkits and guides that support the use of the resources to opportunities to connect to a global community of educators through events and experiences, the Partner Success Experience team helps schools and school districts to maximize their investment and potential with Discovery Education.
