SOLE SOURCE: Only one vendor is capable of providing the service.

SINGLE SOURCE: The service is available from more than one source, but for particular reasons it must be procured from a specific vendor.

Single Source: Upgrade to existing software available only from the software developer who sells on a direct basis.

Single Source: Upgrade to existing software available only from the software developer's designated Value Added Reseller for this territory.

Single Source: Continuation of an on-going service already procured from this vendor. Provide the reasons why it would not be prudent to procure these services from another vendor.

Single / Sole Source: Sole provider of a patented or licensed service.

Single / Sole Source: The requesting Department can demonstrate that such services, due to unique or special circumstances, cannot be procured through a competitive Request for Proposal process.

JUSTIFICATION: Provide detailed reasons why it is in the best interest of the taxpayers to contract with this vendor without competition.

NYS Grant requires an approved NYS certified MWBE vendor by the PTECH grant office. Per the district's Ptech grant, the awarded vendor must be a NYS Certified MWBE. We are requesting to purchase a one-time event from the MOLA group HP ProBooks 440GB, Promethean ACTIV panel LCD's and Promethean Stands for the PTEch program at Gorton High School. The ProBooks and Promethean Panels to be purchased are required for the optimal use of the program. Under Article 15 -A of the NYS Executive Law, the State has discretionary authority to waive competitive procurement for MWBE vendors up to \$500k. In addition to documenting this fact, it is a contract deemed to be in the best interest of the District.

APPROVAL: I certify that to the best of my knowledge the information above is a complete and accurate justification for the competitive procurement of these services.
