Rationale:

This is to award the annual general fund annual service contract for district-wide "Integrated Pest Management Services" to Parkway Exterminating Company dba Parkway Pest Services for \$63,966.00 and term of 365 calendar days.

IFB 6845 was let for public bid in compliance with General Municipal Law 103. Bids were opened in public and read aloud on March 5, 2021. A total of four (4) bids were received.

The first 3 apparent low bidders have been rejected for a variety of reasons awarding the contract to the lowest responsive and responsible bidder Parkway.

Top Level Pest Control did not have the required experience, Abalon made errors on the bid documents and Pestech had an error that once corrected made them the highest bidder. ,

Parkway has extensive positive experience with the District consistently wining this bid and agreeing to extensions.

IPM is a process for managing, preventing, and suppressing pests with minimal impact on human health, the environment, and non-target organisms.
