-  Schooldude.com Invoice.pdf
-  Technology email.pdf
-  BOCS Schooldude.com.xlsx

This is to extend the services of SchoolDude.com's internet based facilities management systems for use by Facilities and the IT Departments. These are proven assets to the district. The work order management and inventory control systems allow ready access for requesters and supervisors to information on status of work orders and inventory requests, and administrator's access to critical benchmarking data. This information is accessible from any computer or smartphone.

Rationale: Also the increasing enrollment has placed the District in another pricing bracket at SchoolDude and School dude now provides a "click to buy" capability with Grainger for just in time inventory.

TERM OF SERVICES - July 1, 2019 through June 30, 2020

ASSESSMENT PROCESS - School Facilities Management Department and Technology Department will develop and monitor the use of these systems through the continuous reporting functions in the system.
