Re: **RFB-6584 INTEGRATED PEST MANAGEMENT**

Dear Mr. Robinson,

In response to your Bid dated March 1, 2021, it will be recommended to the next meeting of the Yonkers Board of Contract & Supply, that your Bid be rejected as being non-responsive. The deciding factor being:

- **Item 1.2 you have used a multiplier of 11 months instead of 12 months. Once corrected Pestech's quote was higher than Parkway Pest Services. Parkway Pest Services is now the apparent responsive and responsible bidder.**

It is unfortunate that your attempt to do business with the City was unsuccessful however, in fairness to the other bidders, we have no choice but to deem your bid non responsive.

Thank you for participating in this solicitation and should you have any question, please do not hesitate to call.

Sincerely,

A handwritten signature in blue ink, appearing to be "SR", written over a horizontal line.
