Federal ID: 41-1646390					
Description of Services	School/Site	Consultant's Daily Rate	Number of Days	Hours/Day	Amount
Edmentum is an online curriculum that offers a comprehensive range of services for Career and Technical Education (CTE) instruction, designed to prepare students for future careers. They emphasize career-connected learning, integrating academic instruction with career preparation through multiyear career pathways, aiming to improve student engagement. Additionally, Edmentum provides a variety of CTE courses and capstones that prepare students for industry credentials and work- based learning programs, all aligned with national and state CTE standards. These services are designed to help students explore career options, gain relevant skills, and achieve their educational and career goals.
