Amanda has some new technology on the way! If your district manages Chromebook devices using a device management program, we recommend forwarding the following information to your school or district technology lead:

If Amanda requested a Chrome Education Upgrade, CDW-G will be in touch with them after the order is confirmed to enroll the device. If you need to contact the vendor immediately, please visit <https://help.donorschoose.org>.

We've sent this information to Amanda, too. As a friendly reminder, principals can sign up for notifications about DonorsChoose and your schools at www.donorschoose.org/principals.

We encourage all district technology directors to share your school district's technology policy with us, so we can help teachers request compatible items in the future. Administrators can enter your district's guidelines at www.donorschoose.org/districttools. Feel free to forward this information along to them!

If you have any questions, please contact us at customerservice@donorschoose.org, we'd be happy to help.
