One Larkin Center  
Yonkers, New York 10701

**RE: PROPOSAL FOR CONSTRUCTION MANAGEMENT SERVICES-PS 16 YPS  
EMERGENCY WORK**

Dear Mr. David:

Please consider our proposal for construction management services related to the emergency work at School 16. The work includes emergency replacement of concrete stairs and landings outside room 12 & 14, new drywells, storm catch basins, storm piping, removal and replacement of blacktop. All work is to prevent water infiltration into classrooms 10,12 &14.

For the required construction management services, we propose a lump sum fee of \$10,500. If this meets with your approval, please sign below and return along with a P.O. for our files.

If you have any questions with the above, please feel free to call.

Sincerely,  
Savin Engineers, P. C.

Steve Spangler,  
Regional Director
