Date: 02/01/2024
Facility: 3-413356
53 Fairview Street
Yonkers, NY

The Petroleum Bulk Storage registration for the referenced facility will expire on 05/07/2024. Article XXV, section 873.2501.9.c of Westchester County's Petroleum Bulk Storage (PBS) code requires that the registration be renewed every three years.

Please review the enclosed populated PBS registration application for accuracy and make and highlight changes as necessary. Note in Section A the following items must be updated, i.e., gasoline dispensing sites; tank ownership; owner type; type of petroleum facility; Class A and B operator (if applicable); and email Address. Be sure to sign and date application.

Include the registration fee in your application package. Make checks payable to Westchester County Department of Health.

The fee schedule is as follows:

1 tank	\$330
2 tanks	\$530
3 tanks	\$660
Each Additional Tank	Add \$65 per tank
Stage I and/or II Vapor Collection System	\$300

Failure to submit an acceptable renewal package prior to registration expiration is a violation of the Petroleum Bulk Storage code and is subject to a maximum civil penalty of up to \$37,500 plus additional late filing fees of \$100.00 per facility.

If you no longer own this facility, please provide the current owner's name and address if known.

Current PBS forms, instructions and information can be found on our website. Refer to the following link: <http://health.westchestergov.com/petroleum-bulk-storage>

If you need assistance in completing applications please call our department at 914-864-7278 or 914-864-7279 to discuss with staff or to schedule an appointment to meet with staff. Please call to schedule an appointment.

The Petroleum Bulk Storage registration for the referenced facility will expire on 05/07/2024. Article XXV, section 873.2501.9.c of Westchester County's Petroleum Bulk Storage (PBS) code requires that the registration be renewed every three years.

Please review the enclosed populated PBS registration application for accuracy and make and highlight changes as necessary. Note in Section A the following items must be updated, i.e., gasoline dispensing sites; tank ownership; owner type; type of petroleum facility; Class A and B operator (if applicable); and email Address. Be sure to sign and date application.

Include the registration fee in your application package. Make checks payable to Westchester County Department of Health.

The fee schedule is as follows:

1 tank	\$330
2 tanks	\$530
3 tanks	\$660
Each Additional Tank	Add \$65 per tank
Stage I and/or II Vapor Collection System	\$300

Failure to submit an acceptable renewal package prior to registration expiration is a violation of the Petroleum Bulk Storage code and is subject to a maximum civil penalty of up to \$37,500 plus additional late filing fees of \$100.00 per facility.

If you no longer own this facility, please provide the current owner's name and address if known.

Current PBS forms, instructions and information can be found on our website. Refer to the following link: <http://health.westchestergov.com/petroleum-bulk-storage>

If you need assistance in completing applications please call our department at 914-864-7278 or 914-864-7279 to discuss with staff or to schedule an appointment to meet with staff. Please call to schedule an appointment.

The Petroleum Bulk Storage registration for the referenced facility will expire on 05/07/2024. Article XXV, section 873.2501.9.c of Westchester County's Petroleum Bulk Storage (PBS) code requires that the registration be renewed every three years.

Please review the enclosed populated PBS registration application for accuracy and make and highlight changes as necessary. Note in Section A the following items must be updated, i.e., gasoline dispensing sites; tank ownership; owner type; type of petroleum facility; Class A and B operator (if applicable); and email Address. Be sure to sign and date application.

Include the registration fee in your application package. Make checks payable to Westchester County Department of Health.

The fee schedule is as follows:

1 tank	\$330
2 tanks	\$530
3 tanks	\$660
Each Additional Tank	Add \$65 per tank
Stage I and/or II Vapor Collection System	\$300

Failure to submit an acceptable renewal package prior to registration expiration is a violation of the Petroleum Bulk Storage code and is subject to a maximum civil penalty of up to \$37,500 plus additional late filing fees of \$100.00 per facility.

If you no longer own this facility, please provide the current owner's name and address if known.

Current PBS forms, instructions and information can be found on our website. Refer to the following link: <http://health.westchestergov.com/petroleum-bulk-storage>

If you need assistance in completing applications please call our department at 914-864-7278 or 914-864-7279 to discuss with staff or to schedule an appointment to meet with staff. Please call to schedule an appointment.
