Rationale: This is part of a \$500,000 NYS Economic Development Assistance Program (EDAP) to improve the gym facilities at Yonkers Middle High School. Due to time constraints this will be done in two parts. First with the bleachers and later the \$180,000 remainder will be used to update the locker rooms, replace lockers.

The bleachers are being purchased by Nickerson Corporation, certified dealer of Hussey Seating in the State of New York, using Hussey's Sourcewell Cooperative Purchasing contract # 091719 – HSC.

The scope of work includes but is not limited to furnishing and installing new bleachers with a seating capacity of 1184, at a cost of \$290,000. Other work associated with the installation such as controls, power and demolition at a cost of \$30,000.00 will be required.
