Attn: John P. Carr, Executive Director, School Facilities Management
Re: RFP: No 420-21-02 Cesar Chavez School
Water Mitigation of Fuel Tank Room and Other Improvements
A&E Design + Construction Administration Services

Greetings:

Thank you for inviting KG+D Architects, PC to participate in your Request for Proposals for Professional Architectural and Engineering services for the Cesar Chavez School. Given our current workload and our previous commitments to Yonkers Public Schools, we are unable to submit at this time. Thank you again for considering KG+D a partner in your continued effort to maintain and update your facilities. We wish you a successful selection process and project.

Sincerely:

KG+D ARCHITECTS, PC
