Rationale:

Award of a CAPITAL FUNDED Contract for "On-Call" Professional Construction Management Services to three Shortlisted Respondents to RFQ-453 for an amount not to exceed \$1 million, with a three-year term which includes two 12-month options to renew the pricing and conditions, upon mutual agreement.

This is to award contracts to 3 separate firms, successful responders to RFQ-453 for "On-Call" Professional Construction Management Services for the School Facilities Management Department" issued by the City Purchasing Dept. and opened on January 11, 2022.

RFQ-453 was a competitive request for qualifications that had 6 responders. All responses were scored by the staff of School Facilities on a Qualifications Based Selection (QBS) basis and after interviews and other due diligence was completed the following three firms are being recommended:

- Savin Engineers, P.c.
- Triton Construction Company, LLC
- Calgi Construction Company, Inc.

These three firms shall be asked to further compete for engagement on specific projects, typically capital improvement projects. The scope of work and the fees for each project will be presented to the Board for approval prior to the start of work. Every project will have its own budget and schedule but will be covered by this single contract.

The \$1 million dollar price mentioned above is merely an upper limit for expenditure under this agreement and will not be encumbered. These funds, up to this limit will be encumbered and assigned to specific projects as the needs arise.

Funding: CAPITAL FUND AS REQUIRED
