

Technical Building Services, Inc. a Stark Tech Business
12E Commerce Drive, Ballston Spa, NY 12020 | StarkTech.com

June 17, 2024

Announcement: Stark Tech Acquires Energy Management of Facilities, Inc. (EMF)

Today, we announce exciting news that Stark Tech® has acquired Energy Management of Facilities, Inc. The customers supported by the EMF team will continue to experience the same level of customer satisfaction and success that they've always had but will have access to Stark Tech's full suite of services and solutions.

Effective immediately, EMF will do business as Technical Building Services, Inc., a Stark Tech business.

Please update your records of the following changes (see attached W-9 for your reference):

Purchase orders and invoices will be issued as Technical Building Services, Inc., a Stark Tech business.

New EIN Number:

14-1625459 - Technical Building Services, Inc., a Stark Tech® Business

New mailing address for check payments and correspondence are as follows:

Technical Building Services, Inc.
12E Commerce Drive
Ballston Spa, NY 12020

EFT (WIRE/ACH) PAYMENTS: Electronic payments are strongly recommended to ensure fast and accurate payment processing.

Bank Name: Saratoga National Bank and Trust Company
Account Name: Technical Building Services, Inc.
Account Type: Checking
Routing #: 021311529
Account #: 11000507

The current EMF management team will continue in the day-to-day operations out of their existing facility, working in collaboration with Stark Tech's Management Team.

Stark Tech is a market leading technology provider of facilities and energy management, including building controls and automation, energy efficient equipment and service, and building analytics. Stark Tech's products and services can be implemented to support the sustainability goals of the customer while keeping facilities on their mission. Information about Stark Tech offerings will be made available on starktech.com.

We look forward to our continued partnership, offering great products and solutions to our growing customer base. For questions, please contact Paula Genovesi at genovesip@starktech.com or call (914) 747-1007.

Sincerely,

The EMF Management Team

Total Optimization.
