MEMORANDUM

DATE: August 8, 2021
TO: Dr. Edwin Quezada
FROM: John P. Carr 
RE: Request for Emergency Declaration
Hawthorne PEARLS School
Storm Damage Window Stabilization and Repair

Dr. Edwin M. Quezada
Superintendent of Schools

John P. Carr, P.E.
Executive Director
School Facilities Management

In recent inspection of cleaned and closed classrooms it was discovered that the windows in Rooms 206, 208, 211 and 212 had been pushed out of alignment by one of the recent storms.

The Department has engaged Fuller and D'Angelo Architects, Adelaide Environmental, Milcon Construction, Mengler Mechanical and Naber Electric to repair/replace and/or make safe these units for use this fall. The cost for this is expected to be in the \$200,000 to \$250,000 range and includes asbestos abatement, removal and replacement of radiators and piping, interior walls as well as the repair of the windows. Capital funds will be sought for this work.

Due to the time constraints and the length of time typically involved in the procurement of construction under GML 103 it is required that an Emergency Declaration be issued to expedite this work.

Please indicate your approval/disapproval of this Emergency Declaration by signing below:
