RE: Tutoring Rates for School Year 2024-2025

Ms. Wynne:

Students enrolled in our Partial Hospital Program and Excel Substance Abuse Program, and those admitted to our Inpatient Psychiatric Unit, are offered tutoring services provided by a NYS certified teacher. The Adolescent Education Program provides two hours of tutoring Monday through Friday. Students get credit for completing assignments, which come directly from their schools. Completed assignments are either emailed back to teachers or mailed to guidance counselors. The Yonkers Public Schools is charged \$55.00 for each hour of tutoring provided to each student from the District.

Please contact me if you require anything further. Thank you.

Sincerely,
