**Re: E&R Fee Request for Emergency Declaration – Lincoln High School Masonry Façade
& Concrete Column Repair**

Dear Lee,

The following is a request for Not to Exceed (NTE) fee for the above referenced project.

E&R shall provide services as part of the hazardous materials portion of the Emergency project. Our services will include, but not be limited to asbestos containing materials testing, analysis, design/specifications, submittal review, and project monitoring.

The work will be performed under Contract 2022-00000816 – Professional Environmental Consulting Services. We propose to perform the work on a Time and Materials basis for a NTE amount of \$25,000.

If you have any questions, please do not hesitate to contact me.

Sincerely,
