Rationale: This is to provide No. 2 heating oil for all District owned and operated buildings and supplemental fuel for Yonkers Public Schools. Usage is estimated at 1.4 million gallons for the Yonkers Public Schools. The estimated budget price is roughly \$2.5142 per gallon. At current estimated rates and the above usage estimate the annual cost of fuel would be \$3,520,000.00.

Last year (2017-2018) the oil conception was at 1.46 million gallons for a total cost of \$3,204,454.80. The average cost per gallon was \$2.1948.

Revisions (increases or decreases) to the budgeted contract price shall be based on prices posted in the Oil Price Information Service (OPIS) "Oil Price Daily". New York State OGS Procurement (NYSPRO) will compute any price revisions by determining the difference between the posted price of \$1.8602 on the Contract start date of August 31, 2018, and the posted price every Thursday during the contract period.
