

AGENDA ITEM

Meeting Date:	9/16/2020 - 7:00 PM												
Category:	SCHOOL FACILITIES MANAGEMENT												
Type:	Action												
Subject:	14.12 AWARD of a CAPITAL FUND Contract for CIP10902 "District Wide Remediation Plumbing" RFB 6533 to Joe Lombardo Plumbing & Heating of Rockland, Inc., in an amount not to exceed \$109,150.00 for term of 365 calendar days.												
District Goals:													
Enclosure:													
File Attachment:	 BOCS LOMBARDO LEAD 2020.xlsx  BID6533 DISTRICT WIDE REMEDIATION PLUMBING ABSRACT 8.14.2020.pdf												
Rationale:	<p>This is to provide on-call plumbing services to replace or otherwise remediate deficient drinking water outlets as identified by the "Lead Testing in School Drinking Water" legislation 10-NYCRR Subpart 67-4, and mandating that schools across the state re-test all drinking water outlets for lead contamination in 2020.</p> <p>Bids for this work were duly solicited in compliance with Municipal Law 103 and opened on August 14, 2020. Lombardo was the sole bidder. However, Lombardo's prices (identical to a similar contract already awarded by the City) and their history with the district (a known, reliable entity) and the need for speed necessitate the award of this contract at this time.</p> <p>Lombardo will be working closely with H2M Engineering and the engineers in the Facilities Dept to replace or permanently abandon the outlets identified as "actionable" under the above mentioned sampling and testing program.</p> <p>This work is being done under capital funds and is fully aidable by the SED.</p>
