**RE:** Request for Emergency Declaration  
Repair of Automatic External Defibrillators (AED)

I have approved the attached Request for Emergency Declaration from the Director of Physical Education, Health & Athletics Mr. Robb Webb on August 30, 2022.

During the annual maintenance of the District's Automatic External Defibrillators (AED), 18 showed major errors that required service. Of those devices, 13 are no longer under warranty and required extensive repairs which included the replacement of major components. Due to mandates requiring AED's for all athletics events, as well as a shortage and delays for new AED's, it is essential that we repair our current AED's.

Our proposed vendor is ZOLL Medical Corporation and the estimated cost of repairs will be \$14,011.60 in contractual general funds.

**MEMORANDUM**

**DATE:** August 29, 2022  
**TO:** Dr. Edwin M. Quezada  
**FROM:** Robert Webb   
**RE:** **REQUEST FOR EMERGENCY DECLARATION  
REPAIR OF AUTOMATIC EXTERNAL DEFIBRILLATORS (AED)**

During regular year end maintenance, 18 of the Automatic External Defibrillators (AED) showed major error and required service. After evaluation, it was determined that 13 of the devices are no longer under warranty and required extensive repairs, including the replacement of major components. Due to mandates requiring an AED for all athletic events, as well as the shortage and delays for new AED's, it is essential that we repair our current AED's.

ZOLL Medical Corporation is the proposed vendor and the total cost is estimated to be \$14,011.60 in contractual general funds.
