

**Overview:**

General construction work for CIP 10914 "Water Mitigation of Fuel Oil Tank Room and Other Improvements" at the Cesar E. Chavez School. Work includes replacing the gymnasium rubber sports flooring with a new wood sports flooring, select exterior doors, and classroom emergency egress windows for a total bid amount of \$1,069,414.00.

In compliance with General Municipal Law 103, bids were let and opened in public on February 7, 2025. Two (2) bids were received and reviewed. The bids were duly examined and all due diligence observed in determining that Abbott & Price, Inc. is the lowest responsive and responsible bidder. Renu Contracting & Restoration was the second bidder with a bid of \$1,293,000.00. The work was designed by Fuller & D'Angelo Architects who estimated the GC work in the amount of \$1,060,000.00.
