Re: Reasonableness of Price for Direct Engagement with Contractor (OGS)

To Whom It May Concern,

I am writing in response to your request regarding the reasonableness of price for the direct engagement with Stratagem Security.

I would like to assure you that our company has provided services to other similar organizations such as the City of New Rochelle, Town of Highland, and Plainview Old Bethpage Schools, Plainedge Schools, among others.

We have extensive experience in similar projects and have consistently offered competitive pricing to our clients.

If you have any further questions or require additional information, please feel free to contact me directly. We are more than happy to provide any necessary details to support the reasonableness of our pricing for the work/monitoring to be conducted through direct OGS engagement with your organization.

Thank you for considering our services. We look forward to the opportunity to work with you and contribute to the success of your project.

Sincerely,

Very truly yours,

Kathleen Reyes
