Re: E&R Additional Fees for MLK Fuel Tank Restoration CIP 10922

Dear Lee,

The following is a request for an amendment to E&R's Service Contract referenced above.

Our original fee did not include Construction Management as related to the Oil Tank Restoration Project at Martin Luther King School.

E&R is proposing the above Construction Management Services for a lump sum amount of \$10,000.00. Less a balance of \$4,850.00 in additional services under the original assignment. An amendment in the amount of \$5,150.00 is required.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jh Eisenbach', is written over the word 'Sincerely,'.
