Mr. John Carr
Director of Operations
School Facilities Management
Yonkers Public Schools

Dear Mr. Carr:

Re: Contract # 2017-00000335
NYS Contract 68863 GROUP 77201 AWARD 23150

Stanley Convergent Security Solutions, Inc. agrees to extend our monitoring and service of all fire and intrusion alarms for all school buildings and security systems currently active on our Protection Net Monitoring Center under the same terms and conditions as last year's contract. All current terms are to be considered still in effect. To include both monitoring and services. Due to the recent Pandemic, the cost of the monthly alarm monitoring for the next fiscal year will be decreased by a minimum of \$ 7,262 annual. (\$ 605 per month)

Please note that a revised Schedule "A" for the rates for both fire and intrusion monitoring is being finalized and we will forward as soon as possible. Once fully reviewed and completed, further discounts may be applied.

The total cost of monitoring and servicing fire and intrusion alarms \$112,174
Allowance for time and maintenance \$ 20,000.00
Total Annual Cost \$132,174.00

Regards,

Antonio Ambrosio
