-  RES 16.14 APRIL 20 2022.pdf
-  RES 15.3 MARCH 16 2022.pdf

Rationale: By Resolution 16.14 dated April 20, 2022, the Board of Trustees authorized the award of Purchase Order 2022-6856 to KG&D Architects for design services for CIP 10935 at Cross Hill Academy and CIP 10936 at Saunders Trades and Technical High School for \$441,000.00 and an initial term of 365 calendar days.

This resolution is to increase the scope of work on CIP 10936 at Saunders Trades and Technical High School to include replacement of the turf field carpet and other improvements to football/soccer field facilities. These features were inspected by a third party that recommended timely upgrades. Adding this work to the existing CIP makes them eligible for state aid. KG&D is the architect of record for the Saunders 2012 artificial turf field design and construction.

The design fee is \$36,500.00 plus a district directed reimbursable fund of \$4,500.00 for a total increase of \$41,000.00. The revised amount of this PO will be \$482,000.00.

This resolution will also increase the term to 1,095 calendar days.
