Dear Dr. Rivera:

I am pleased to inform you that Yonkers Montessori Academy's request for funding to prepare high school students to work in early childhood education and childcare has been approved in the amount of \$150,000.

Congratulations!

Please find important information below about the grant award some recent changes to our brand:

### **Award letter and ACH form to come via DocuSign**

You will receive a grant award letter via email from DocuSign later this month. The award letter will outline the grant time frame, the deliverables, and the reporting deadlines. Please read this award letter carefully, and please take note of your reporting deadlines.

As fiscal administrator, Yonkers Public Schools (Anibal Soler, Jr.) will also receive a form via DocuSign to provide ACH information for grant payments.

Please complete required fields in the DocuSign documents as soon as possible. If you have any questions about the award letter or ACH forms, please email Emilia Jourdain ([ejourdain@thenytrust.org](mailto:ejourdain@thenytrust.org)).

### **New brand and website**

In honor of The New York Community Trust's 100th anniversary, we launched a new brand on June 4. We are excited to share that the Westchester Community Foundation, which has always been a division of The New York Community Trust, will now be known as The New York Community Trust - Westchester. We're still based in Westchester with the same team and programs, but our email addresses and website have changed. You can now find us online at [thenytrust.org](https://thenytrust.org).

I am happy to answer any questions you have this week. Please note that I will be out of the office on family leave beginning Monday, June 17 and returning Monday, July 29.

I look forward to working with you on this grant!

Best regards,

Lauren
