To Whom It May Concern:

Please consider this document as verification that the Math for Love Curriculum is entirely owned and developed by Math for Love, LLC, and is not available from any other source.

Math for Love has developed this curriculum to create a play-based, rigorous approach to mathematics learning. We have seen it have great impact in schools and districts throughout the country, and we hope it will serve your staff and students as well.

Please contact me if you have any questions.

Best,

A handwritten signature in black ink, appearing to read 'Dan Finkel', with a stylized flourish at the end.
