RE: District Wide Emergency HVAC Restoration: COVID 19

Greetings:

We are writing to provide our proposal to Yonkers Public Schools for architectural and engineering services for District Wide Emergency HVAC Restorations in response to Covid 19. The architectural and engineering services to be rendered will be performed under the same terms and conditions as outlined in our existing contract with Yonkers Public Schools under RFP404. Services will include, but not be limited to the following:

- Assist the District in complying with CDC and Health Department guidelines.
- Perform HVAC building surveys.
- Recommend appropriate design solutions for the restoration of HVAC systems and related infrastructure.
- Provide associated construction oversight.

The proposed project team and sub-consulting teams will include:

- KG+D Architects – Architecture, Interior Design + Planning
- Barile Gallagher & Associates – MEFP Engineers
- OLA Consulting Engineers – MEFP Engineers

As required:

- The DiSalvo Engineering Group – Structural Engineers
- Nasco Construction Services – Cost Estimators
- Construction Specifications, Inc. – Specifications

We propose to complete these above outlined restoration services for a fee not to exceed **\$175,000**.

KG+D and our consulting teams appreciate your continued trust in our firms, and we look forward to seeing this project successfully completed. As always, please feel free to call if you have any questions regarding this proposal.

Sincerely:
