PLAN COMMITMENT

Wilson Language Training® is looking forward to partnering with Yonkers Early Childhood Academy to implement this COMPASS plan. The district’s commitment is required to secure Wilson® professional learning services and events. Due to circumstances related, but not limited to, the COVID-19 virus, please note that this COMPASS plan may be amended to limit availability of in-person training or substitute remote learning opportunities for professional educators at the discretion of Wilson. In such case, the substituted professional learning would be offered at standard pricing for the services rendered by WLT and scheduled by mutual agreement with your district.

- *Please sign and return this page by September 30, 2020 in order to ensure the necessary resources are allocated to implement this plan. We will not be able to guarantee the Professional Learning services and events until we receive the accompanying Service Agreement contract(s) signed by an authorized signatory. We encourage prompt return of Service Agreement (s) to ensure plan implementation.*
